Support for LDAP.
LDAP is widely used and present in many networks.

Example:

I think this would be a great feature for members of the community to either develop or fund.

#2 - 06/12/2018 05:46 PM - Jason Ish
- Effort set to medium
- Difficulty set to medium

#3 - 02/23/2019 10:15 PM - Andreas Herz
- Assignee set to Community Ticket

#4 - 09/25/2019 07:46 PM - Victor Julien
Implementation should be in Rust.

#5 - 01/30/2020 02:41 PM - Victor Julien
- Label Protocol added
