## Suricata - Feature #2152
Packet and Drop Counters for Napatech
06/16/2017 03:25 PM - Phil Young

**Status:** Closed  
**Priority:** Normal  
**Assignee:** Phil Young  
**Category:**  
**Target version:** 4.0.1  
**Effort:**  
**Difficulty:**  

### Description
Add packet and drop counters when working with Napatech hardware. There will be one set of counters for each Napatech stream being processed.

### History

**#1 - 06/16/2017 05:24 PM - Phil Young**
Pull request with changes submitted: [[https://github.com/inliniac/suricata/pull/2788]]

**#2 - 06/27/2017 04:23 PM - Andreas Herz**
- Target version set to TBD

**#3 - 07/10/2017 10:11 AM - Phil Young**
A new PR [https://github.com/inliniac/suricata/pull/2830](https://github.com/inliniac/suricata/pull/2830) was created to address comments from review.

**#4 - 08/02/2017 03:51 AM - Victor Julien**
- Status changed from New to Closed  
- Target version changed from TBD to 4.0.1
