Output is showing correct error message as of July 18 2019. Updated documentation to reflect change in buffer name from ssh_proto & ssh_version to ssh.proto & ssh.version.

Output:

```
[27834] 18/7/2019 -- 15:33:04 - (detect-parse.c:658) <Warning> (SigParseOptions) -- [ERRCODE: SC_WARN_DEPRECATED(203)] - keyword 'ssh.protoversion' is deprecated and will be removed soon. Use 'ssh.proto' instead. See https://suricata-ids.org/about/deprecation-policy/
```

```
[27834] 18/7/2019 -- 15:33:04 - (detect-parse.c:658) <Warning> (SigParseOptions) -- [ERRCODE: SC_WARN_DEPRECATED(203)] - keyword 'ssh.softwareversion' is deprecated and will be removed soon. Use 'ssh.software' instead. See https://suricata-ids.org/about/deprecation-policy/
```

#2 - 09/24/2019 09:44 AM - Victor Julien

- Assignee changed from Victor Julien to OISF Dev

- Target version changed from TBD to 6.0.0beta1

#3 - 05/25/2020 03:55 PM - Victor Julien

- Target version changed from 6.0.0beta1 to 7.0beta1
