Suricata-Update - Optimization #2874

Bring parsers out of the main function

03/12/2019 10:47 AM - Shivani Bhardwaj

Status: Closed  
Priority: Normal  
Assignee: Vagisha Gupta  
Category:  
Target version: 1.2.0  
Effort: low  
Difficulty: low  
Label: Outreachy

Description

Parsers for suricata update form a large part of the main function. Separate them out to make code cleaner and compact.
