Hello, can anyone confirm the same problem with multiple NFQUEUE?

Yes I can confirm that, could you create a redmine ticket for that?

Thanks

Working:

```
suricata -D -q 0 -c /etc/suricata/suricata.yaml -vv
```

Working:

```
suricata -D -q 1 -c /etc/suricata/suricata.yaml -vv
```

Not working:

```
suricata -D -q 0 -q 1 -c /etc/suricata/suricata.yaml -vv
```
