Add links to additional information at the wiki to the userguide

10/21/2019 08:43 PM - Andreas Herz

Status:        Assigned
Priority:      Normal
Assignee:      Andreas Herz
Category:      
Target version: TBD
Affected Versions: 
Effort:        
Description
It might help users to have specific links to pages like FAQ, Known Issues, Common Errors etc. at a dedicated page within our userguide.

History
#1 - 10/21/2019 08:49 PM - Andreas Herz
- Subject changed from Add links to additional information at the wiki to the RTD to Add links to additional information at the wiki to the userguide

#2 - 10/21/2019 08:49 PM - Andreas Herz
- Description updated

#3 - 04/20/2020 07:53 PM - Andreas Herz
Since this is more dynamic, should we add a dedicated thread in discourse and add just that link to the userguide?
