Suricata - Task #5319
add `alert-queue-expand-fails` command-line option
05/02/2022 03:23 PM - Juliana Fajardini Reichow

Status: In Review
Priority: Normal
Assignee: Juliana Fajardini Reichow
Category:
Target version: 7.0rc1
Effort:
Difficulty:
Description
We want to be able to test how Suri behaves when the growth (reallocation) of the alert queue fails. This command-line option would sort of disable the function, to simulate that situation.
