**Description**

`flow_manager_mutex` (defined and used in `src/flow-manager.[ch]`) is not initialized.

Here is the patch with the fix

Thanks.

This applies also to current stable branch 1.3.x, so it might make sense to fix it there too, if you are planning a new stable release from that branch.

Addressed 1.3 branch in [#654](https://github.com/cavedon/suricata/commit/c5493910fd430eb3ec0c3355592a1da0dfd73464)
