### Sack Records: Limit Per Stream

**Description**

Originally part of [#794](#794).

SACK records are stored in streams and use memory. It would be sane to impose some kind of per-stream limit.

### History

**#1 - 05/22/2013 05:54 AM - Victor Julien**

- Tracker changed from Bug to Feature

**#2 - 02/10/2017 05:35 AM - Victor Julien**

- Priority changed from Normal to Low
