Description
I have detected a segmentation fault in "app-layer-parser.c". I have attached the thread dump plus the build info.

History
#1 - 07/24/2013 09:22 AM - Victor Julien
Looks like a case of corruption. If you see more segv's, can you attach them to this ticket?

#2 - 07/24/2013 09:31 AM - Duarte Silva
Yes, no problem.

#3 - 10/26/2013 10:21 AM - Victor Julien
- Target version set to TBD

#4 - 12/19/2013 07:35 AM - Duarte Silva
This can be closed, I haven't seen it anymore neither was I able to reproduce it.

#5 - 12/19/2013 07:36 AM - Victor Julien
- Status changed from New to Closed

Thanks Duarte!

#6 - 04/24/2015 04:36 AM - Victor Julien
- Target version deleted (TBD)
